Mission Statement

Sugar Grove Christian School exists to provide exemplary education in a Christian environment. The staff is committed to helping each child grow in ways that Jesus grew. Students participate in an academic program that allows them to grow in wisdom and stature and to develop a positive relationship with God and one another.

Sugar Grove Christian School

About SGCS

Sugar Grove Christian School has been providing academic excellence in a Christian environment since 1969. SGCS provides challenging academics, small classes, a devoted staff and - above all - a meaningful focus on God. SGCS has been in its current location since 1998. Future plans include additional classrooms and a gymnasium!

Academics

SGCS challenges students by maintaining a high standard of learning. Up-to-date, advanced curriculums are used throughout our classrooms, along with a variety of supplemental materials. SGCS continues to implement teaching skills and strategies to enhance the learning of our 21st Century students.

SGCS offers specialized classes in Music, Spanish, Health and daily Physical Education. A school library, as well as designated Science and Computer Labs, are utilized to contribute to the learning atmosphere. Upper elementary students participate annually in a state academic meet.

Preschool Program

The full-day Preschool Program introduces students to the joys of learning! The curriculum consists of theme-based units that promote reading and math readiness, emerging language skills, along with fine and gross motor skills.

Students participate in Music, literacy and drama activities, as well as a Music & Movement Class. Spanish and Sign Language are also included in the four-year-old curriculum.

Technology

Education and technology go hand-in-hand at SGCS. Tools such as mounted projectors, SMARTboards, Mobis and clickers are incorporated into students' everyday learning. Elementary computer classes are led by a technology instructor.

Before & After School

Before-school care begins at 7:00 a.m. and is free-of-charge. After-school care is available for a fee until 6:00 p.m. After-school care is provided on most early dismissal days; however, no childcare is available on school holidays.

Admissions

Testing is required of all new elementary students. Sugar Grove Christian School considers all students for available positions regardless of race or religious preference.
