

Sugar Grove Christian School Making a Difference Building Project Update

What an exciting year it has been for SGCS as we have continued with our 40th year of Christian legacy. The campaign for additional classrooms and a gymnasium for PE, recess, and after school began in order to accommodate the growth and services of our student body. Many individuals have generously shared their dollars, time and energy with SGCS.

The building expansion has **\$468,000** committed towards the project, which is extremely astounding in the current economic times. All architectural drawings are complete; however, bids for the building expansion have come up higher than expected. Our new target number is \$890,000. SGCS will not be able to build this summer. Additional funds need to be raised before construction can begin. Options are being explored and we will continue to "build" the building fund. Construction will begin when the funding is available.

How can you help?

- *Remember SGCS as you consider your tax-deductible donations. SGCS will accept stocks, saving you tax dollars. Donor Wall tiles are still available to recognize generous donors.*
- *Share the Sugar Grove Difference...tell your story, spread your successes. Ask your company if they have a donor match or have in-kind donations. Ask around to see if you know any company or individual who would like to sponsor SGCS activities.*
- *Participate and support the ongoing and upcoming fundraisers.*
